MRS. TENNEY SUES RICHMOND GIRL WILLIAM F.GORDON DECLINES TO SING

Charges That He Made Remarks Reflecting on Her Character to Policemen.

MR. GORDON MAKES DENIAL

Suit for \$10,000 Damage Outgrowth of Pending Divorce Litigation.

Notice of suit was filed yesterday in the Law and Equity Court by William L. Royall, as attorney for Emma S. Tenney, against William F. Gordon for defamation of character, the damages being placed at \$19.000. No declaration has as yet been filed.

Mr. Royall claims to have in his possessicn certain statements or affidavits from two policemen, William H. Palmer and Lee B. Clark, as to certain statements Mr. Gordon is alleged to have made in their hearing, which have been construed to reflect on the character of Mrs. Tenney. The alleged remark was made at the time proceedings were being taken in the pending divorce suit of Mrs. Tenney against her nusband, George O. Tenney, president of the Atlantic Bitulithic Company. The alleged remark had reference to John G. Tyler, a young theatrical man, formerly manager of the Galety Theatre, in this city, and now of Baltimore who was named by Mr. suit for absolute divorce which Mr. Fenney brought against his wife after the had instituted proceedings for a teparation with alimony.

found that a suit of clothes had been stolen from an employe of the company and a pistol belonging to the company. Earl had acted very strangely, trom all accounts, and suspicion pointed strongly towards him. A visit was made to his home, 343 South Cherry Street. There Mrs. Earl informed Sergeant Kellam that her husband had returned just before breakfast time and told her that he had blown up the Independent Oil Company's safe and got all the money he wanted. Then he threatened to kill her, but afterwards left the house. Mrs. Earl said that she lived in dally fear of the man.

Sergeant Kellam afterwards recovered the revolver alleged to have been stolen, but the suit of clothes is st'll missing. Sues Street Car Company.

Suit was filed yesterday in the City Circuit Court by Dora Carter Seay against the Virginia Railway and Power Company for damages in the sum of \$2,000. Edward L. Ryan appeared for Mrs. Seay. It is claimed that Mrs. Seay had been on a street car and had arisen with the purpose of alighting. Before the reached the door the car started forward, throwing her into a corner, breaking her arm and inflicting other injuries. The accident occurred last September.

Burned by Flaming Oil.

Mary Lipscomb and her daughter, Estelle, colored, of \$16 St. Paul Street, were badly burned yesterday morning by oil from an exploded kerosene lamp. Engline Company No. 9 went to the house, and Assistant Chief Wise and his men had little difficulty in extinguishing the flames. Then the women were treated and the city ambulance was called. They are not seriously injured. missing.

Earl has been employed by the Independent Oil Company only for six months. He is about twenty-six years old. He is charged with being a suspi-cious character. Mrs. Earl was a widow before her marriage to Earl, and has four children by the first union.

BEN GREET-PRODUCER

Will Stage Miss Nethersole's New Play on Monday Evening.

Ben Greet, who comes to Richmond to stage Miss Nethersole's new play, "The Redemption of Evelyn Vaudray," which has its first production Monday night, is a great favorite in this city, having played here a score of times. In a letter to a friend Mr. Greet declares that Bernstein's play has a wonderful third act, and that Miss Nethersole promises a remarkable performance. Unemployed money at home is a risk of theft or fire and a temptation to easy spending. Bring it to us and let it

PRESIDENT WOOD NAMES STANDING COMMITTEES

President Henry W. Wood, of the Chamber of Commerce, yesterday announced his appointment of standing committees for the year. By reason of the election of ten new directors, whose terms of office expired at the close of 1910, there are some changes in the chairmanships, and all along the line are to be found new members in the various committees.

As chairman of the committee on commerce and commercial usages, J. F. Hyland succeeds Leon Wallerstein, and Mr. Wallerstein remains as a member of the committee. Gordon Wallace succeeds H. W. Ellerson as chairman of the committee on expositions and civic celebrations. R. H. Smith becomes chairman of the committee on manufacturers, in place of Henry W. Rountree. Charles P. Lee is appointed chairman of the committee on outward, trade, succeeding B. M. Gwathmey. R. S. Christian, whose term as a member of the board of directors expired at the end of the year, is succeeded as chairman of the committee on postal and telegraph service by H. S. Bins-

Officers for the ensuing year were not elected at the annual meeting of the Virginia Chemists' Club held last night in the Virginia Mechanics' Institute. The club decided to postpone, the election until the next monthly meeting which will be held on the night of February 10. A committee was named to make arrangements for that meeting which will take the form of a smoker. It is understood that there will be several changes in the officers.

Dr. Allen W. Freeman, of the State Department of Health, spoke on "Waith Board that there will be several changes in the officers.

Dr. Allen W. Freeman, of the State Department of Health, spoke on "Waith Board that there will be several changes in the officers.

Dr. Allen W. Freeman, of the State Department of Health, spoke on "Waith Board that there will be several changes in the officers.

Dr. Allen W. Freeman, of the State Department of Health, spoke on "Waith Board that the source of the explained that the source of the epidemics at Bristol and Lexington. The lecture was illustrated by charts. He explained that the source of the epidemic in each town had been traced to the water supply and that in both cases the disease had followed protracted droughts.

In Bristol the water used was obtained from an artesian well 1,250 feet deep, but which was contaminated by surface drainage, due to defective casing. At Lexington, he stated that during the dry spell, the water was turned off twice a day, causing the pressure in the mains to fail off and allowing sewerage contamination. He called attention to the fact that the disease ceased as soon as the theoretical cause was cradicated.

In support of his general argument, Dr. Freeman recalled that there had been two other typhoid epidemics in Lexington, one in 1899, and another four years later, both occurring during periods of droughts and when it was necessary to cut off the water supply as stated times.
